

Established in 1944, CEWC-Cymru works directly with young people and teachers to encourage active citizenship. Schools throughout Wales value our contribution to ESDGC, PSE, the Welsh Bacallaureate and other areas.

"The Philosophy for Children session was extremely interesting and thought-provoking."

Andrea Waddington,
Sully Primary School,
Vale of Glamorgan

"Thank you for your help in starting the new Debating Society in our school! Your workshop really helped to ignite interest. Since then, we've built a well-attended Society that meets once a week - in fact, usually twice, due to keen interest. The pupils have benefited greatly and are passing on what they've learned to others."

Emma Pole,
Bishop Vaughan School, Swansea

"CEWC-Cymru has made an invaluable contribution to our Wales, Europe and the World WBQ programme."

Phil Higginson,
Ysgol y Preseli,

CEWC CYMRU

Workshops and talks for students

Bring the world to your school: we deliver classroom sessions for all ages, helping pupils to understand global issues and develop as active citizens

www.cewc-cymru.org.uk

CEWC-Cymru can deliver classroom workshops at any primary school, secondary school or college in Wales. This leaflet provides further information and enables you to book a visit.

We have made hundreds of visits to schools and colleges, covering all 22 counties of Wales. Many colleagues request repeat visits and consider our input to be an essential ingredient in their work. Two of our staff members are qualified teachers, and all have been checked by the Criminal Records Bureau (CRB). Some workshops are available in both Welsh and English.
